Canada direct
2012 Edition

Long
distance
made easy

Canada Direct™ Smart. Simple. Easy.

1. If you are calling from a hotel, follow hotel instructions to get an outside line. If calling from a public payphone, coin or local card payment may be required. Service may not be accessible from some hotels, private phones and payphones in certain countries.
2. Dial the Canada Direct™ access number (see eligible country list opposite).
3. Follow the voice prompts to select your preferred language, your telephone company and preferred payment method. You may use Bell Calling Card™, Business Calling Card, Family Contact™ card or Bell Prepaid Calling Card.
4. Should you need help at any time, press "0" for a bilingual Canadian operator.
5. If you are using a Bell Calling Card, you can place up to 10 calls in a row without hanging up. Simply press "#" after each call ends and follow the prompts.

Using a fax or modem: To send a fax, pick up the receiver and follow steps 1 to 3. For modem access, configure your modem for Calling Card type as per your PC support documentation.

Billing: Bell bills calls to Canada in Canadian dollars. Rates include surcharge plus per minute rates. For specific rate information, contact us at 310-BELL™ prior to travelling.

Please note: Some hotel phones or pay phones will automatically redirect your call to an alternate provider who will ask for your credit card number. Canada Direct works with your Bell Calling Card so, in such a situation, simply try a different phone such as your hotel room phone or a pay phone (consistent with country restrictions).
